FAITH

See the girl with the diamonds in her shoes
She walks around like she's got nothing to lose
Ya she's a go-getter, she's everybody's type
She's the queen of the city but she don't believe the hype
She's got her own elevation, holy motivation
So I wrote some letters out in big bold type

I got faith, In you baby
I got faith, In you now
And you've been sucha sucha good friend to me
Know that I love you somehow
I met you
Hallelujah!
I got faith

See the boy with the Stevie Wonder swag
Ain't got a clue, all the magic that he has
He's a go-getter, he's everybody's type
Gonna make it my mission, make him feel alright
He's a twelve on a 10-point, rockin' out to his joint
Just say the word cause I could sing all night

I got faith, In you baby
I got faith, In you now
And you've been sucha sucha good friend to me
Know that I love you somehow, (love you somehow...)
I met you
Hallelujah!
I got faith
Faiiiiithh

Yes I Do
Oo oo oo

I get around ya and my mind goes crazy
I think about you mornin', noon, night and day
I get her runnin' and my mind goes crazy
I think about you mornin', noon, night and day
I get her runnin' and my mind goes crazy
I think about you mornin', noon, night and day

[simultaneous]
I got faith in you honey
I got faith in you girl
I got faith in you honey
I got faith in you girl
I met you
Hallelujah!

I got faith, In you baby
I got faith, In you now
And you've been sucha sucha good friend to me
Know that I love you somehow, (love you somehow!)
I met you
Hallelujah!
I got faith
Faith, faith, faith, faith, faith, faith, faith

I got faith, (faith!)
In you baby, (baby!)
I got faith, In you now
And you've been sucha sucha good friend to me
Know that I love you somehow, (yes I do!)
I met you
Hallelujah!
I met you
Hallelujah!
I met you
Hallelujah!
I got faiiiiiiith

LET'S FACE THE MUSIC AND DANCE

There may be trouble ahead
But while there's moonlight and music and love and romance
Let's face the music and dance

Before the fiddlers have fled, before the they ask us to pay the bill and while we still have the chance
Let's face the music and dance
Soon we'll be without the moon, humming a different tune and then
There may be teardrops to shed
So while there's moonlight and music and love and romance
Let's face the music and dance

Before the fiddlers have fled, before the they ask us to pay the bill and while we still have the chance
Let's face the music and dance
Soon we'll be without the moon, humming a different tune and then
There may be teardrops to shed
So while there's moonlight and music and love and romance
Let's face the music and dance, dance

Let's face the music
Let's face the music
Let's face the music and dance

I DON'T WANNA

I don't wanna talk to ya
Nothing to say

I don't wanna walk with ya
Outta my way

I'm not gonna play for ya
Don't wanna play

I don't need anyone else
Yeah yeah!
I live my life by myself
Yeah yeah!
Can't stand the things that you say
Yeah yeah!

Not listening any waaaaaaay!

VENUS

A goddess on a mountain top
Was burning like a silver flame,
The summit of beauty and love,
And Venus was her name.

She's got it,
Yeah, baby, she's got it.
Well, I'm your Venus,
I'm your fire at your desire.
Well, I'm your Venus,
I'm your fire at your desire.

Her weapon were her crystal eyes
Making ev'ry man mad;
Black as a dark night she was,
Got what no one else had.
Wow!

She's got it,
Yeah, baby, she's got it.
Well, I'm your Venus,
I'm your fire at your desire.
Well, I'm your Venus,
I'm your fire at your desire.

She's got it,
Yeah, baby, she's got it.
Well, I'm your Venus,
I'm your fire at your desire.
Well, I'm your Venus,
I'm your fire at your desire.

Ah-ah-ah-ah-ah-ah-ah!

HALLELUJAH

Now I've heard there was a secret chord
That David played and it it pleased the Lord
But you don't really care for music do ya?
It goes like this, the fourth, the fifth
The minor fall and the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

You say I took the name in vain
I don't even know the name
But if I did, well really, what's it to ya?
There's a blaze of light in every word
It doesn't matter what you heard
The holy or the broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

I did my best, it wasn't much
I couldn't feel so I tried to touch
I've told the truth, I didn't come to fool ya
And even though it all went wrong
I'll stand before the Lord of song
With nothing on my tongue but Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah, Hallelujah, Hallelujah, Hallelujah, Hallelujah

SHAKE IT OFF

I stay out too late
Got nothing in my brain
That's what people say, mmm-mmm
That's what people say, mmm-mmm

I go on too many dates [chuckle]
But I can't make them stay
At least that's what people say, mmm-mmm
That's what people say, mmm-mmm

But I keep cruising
Can't stop, won't stop moving
It's like I got this music
In my mind
Saying, "It's gonna be alright."

I never miss a beat
I'm lightning on my feet
And that's what they don't see, mmm-mmm
That's what they don't see, mmm-mmm

'Cause the players gonna play, play, play, play, play
And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off
Heart-breakers gonna break,
And the fakers gonna fake
Baby, I'm just gonna shake
I shake it off, I shake it off

Shake it off, I shake it off,
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off

I'M STILL STANDING

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from you
You'll wind up like the wreck you hide behind that mask you use

And did you think this fool could never win
Well look at me, I'm coming back again
I got a taste of love in a simple way
And if you need to know while I'm still standing you just fade away

Don't you know I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind

I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah

Once I never could hope to win
You starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus you'd be a clown by now

SET IT ALL FREE

I followed my heart into the fire
Got burned, got broken down by desire
I tried i tried but the smoke in my eyes
Left me blurry, blurry and blind
Picked all the pieces up off the ground
Got dirt on my fingers but thats gone now
Got the glue in my hands, i'm stickin to the plan, stickin to
The plan that
Says i can
Do anything at all
I can do anything at all

This is my kiss goodbye
You can stand alone and watch me fly
Cause nothings keepin me down
Gonna let it all out
Come on and say it right now right now right now
This is my big hello
Cause i'm here and never letting go
I can finally see
It's not just a dream
When you set it all free all free all free
Set it all free

I was the girl caught under your thumb
But my star is gonna shine brighter than your sun
And i'll reach so high, shoot so far
Gonna hit, gonna hit hit, every target
Make it count this time
Make it count this time, I will make it count this time

This is my kiss goodbye
You can stand along or watch me fly
Cause nothings keepin me down
Gonna let it all out
Come on and say it right now right now right now
This is my big hello
Cause I'm here and never letting go
I can finally see
It's not just a dream
When you set it all free all free all free
Set it all free
Set it all free
Set it all free

This is my kiss goodbye
You can come along or watch me fly
Cause nothings keepin me down
Gonna let it all out
Come on and say it right now right now right now
This is my big hello
Cause I'm here and never letting go
I can finally see
It's not just a dream
When you set it all free all free all free
Set it all free
Set it all free
Set it all free

MY WAY

And now, the end is near
And so I face the final curtain
My friend, I'll say it clear
I'll state my case, of which I'm certain
I've lived a life that's full
I've traveled each and every highway
And more, much more than this,
I did it my way

Regrets, I've had a few
But then again, too few to mention
I did what I had to do
And saw it through without exemption

I planned each charted course,
Each careful step along the byway
And more, much more than this,
I did it my way

Yes, there were times, I'm sure you knew
When I bit off more than I could chew
But through it all, when there was doubt
I ate it up and spit it out
I faced it all and I stood tall
And did it my way

I've loved, I've laughed and cried
I've had my fill, my share of losing
And now, as tears subside,
I find it all so amusing

To think I did all that
And may I say, not in a shy way
Oh, no, oh, no, not me, I did it my way

For what is a man, what has he got?
If not himself, then he has naught
To say the things he truly feels
And not the words of one who kneels
The record shows I took the blows
And did it my way

[Instrumental]
Yes, it was my way

DON'T YOU WORRY 'BOUT

Everybody's got a thing
But some don't know how to handle it
Always reachin' out in vain
Accepting the things not worth having but

Don't you worry 'bout a thing
Don't you worry 'bout a thing, mama
Cause I'll be standing on the side
When you check it out

They say your style of life's a drag
And that you must go other places
But just don't you feel too bad
When you get fooled by smiling faces but

Don't you worry 'bout a thing
Don't you worry 'bout a thing, mama
Cause I'll be standing on the side
When you check it out...Yeah
When you get it off...your trip
Don't you worry 'bout a thing...Yeah
Don't you worry 'bout a thing...Yeah

Don't you worry 'bout a thing
Don't you worry 'bout a thing, mama
Cause I'll be standing on the side
When you check it out...
When you get it off...your trip

Everybody needs a change
A chance to check out the new
But you're the only one to see
The changes you take yourself through

Don't you worry 'bout a thing
Don't you worry 'bout a thing, pretty mama
Cause I'll be standing in the wings
When you check it out

Don't you worry 'bout a thing

GOLDEN SLUMBERS/CARRY THAT WEIGHT

Once there was a way,
to get back homeward,
Once there was a way,
to get back home
Sleep pretty darling do not cry,
and I will sing a lullaby

Golden slumbers fill your eyes,
smiles awake you when you rise
Sleep pretty darling do not cry,
and I will sing a lullaby

Once there was a way,
to get back homeward,
Once there was a way,
to get back home
Sleep pretty darling do not cry,
and I will sing a lullaby

Boy you're gonna carry that weight,
carry that weight for a long time
Boy you're gonna carry that weight,
carry that weight for a long time

I never give you my pillow,
I only send you my invitations
And in the middle of the celebrations,
I break down

Boy you're gonna carry that weight,
carry that weight for a long time
Boy you're gonna carry that weight,
carry that weight for a long time

Oh yeah, all right,
are you gonna be in my dreams tonight?

Love you, love you, love you, love you, love you, love you
Love you, love you, love you, love you, love you, love you
Love you, love you, love you, love you, love you, love you
Love you, love you, love you, love you, love you, love you
Love you, love you, love you, love you, love you, love you

And in the end,
the love you take,
is equal to the love you make,
Ah

PENNIES FROM HEAVEN

Every time it rains, it rains pennies from heaven
Don't you know each cloud contains pennies from heaven?
You'll find your fortune fallin' all over the town
Be sure that your umbrella is upside down

Trade them for a package of sunshine and flowers
If you want the things you love, you must have showers
So, when you hear it thunder, don't run under a tree
There'll be pennies from heaven for you and me

Trade them for a package of sunshine and flowers
If you want the things you love, you've got to have showers
So, when you hear it thunder, don't run under a tree
There'll be pennies from heaven for you and me

LISTEN TO THE MUSIC (SPANISH/ENGLISH VERSION)

Don't you feel it growing,
Day by day
People, get ready for the news
And some are happy,
Some are sad
Oh, we gotta let the music play
Solo necesitan
Es como sonreír
No es tan difícil si sabes como hacerlo
Agarra el mensaje
Seguir adelante
O mama va para ya ahora

Oh oh oh listen to the music, Oh oh oh listen to the music,
Oh oh oh listen to the music
All the time

Como un rio que va despacio
Alrededor de castillos en el cielo
Y la gente se va acercandose
Oyendo por la felicidad
Hay que dejar volar

Oh oh oh listen to the music, Oh oh oh listen to the music, Oh oh oh listen to the music
All the time
Yeah

Oh oh oh escucha la música, Oh oh oh oye la música,
Oh oh oh goza la música
Todo el tiempo
Ahhh ohhh
